Bigfoot or Sasquatch is an alleged ape-like creature purportedly inhabiting forests, mainly in the Pacific Northwest region of North America. More than fifty years have passed since the first supposed sightings of Bigfoot were reported in California. Sex comedy about a group of people who are sexual adventurous and decide to spend their summer in an resort by the lake. But soon they realize that they are not alone, an infamous cryptid with big feet (and that is not the only big part of his anatomy) makes his presence known. In the same category as Nessie is Ogopogo, which sounds like what you'd shout to signify winning a game called "OGOPOGO." In terms of media exposure, Ogopogo is the O.G. of water serpents, as it appeared in 1926, and Nessie made his first photographic appearance in 1933. Browse all Nickelodeon TV shows.
