

# Download Its The Economy That Matters Most

An economy (from Greek *oikos* – "household" and *nomos* – "manage") is an area of the production, distribution, or trade, and consumption of goods and services by different agents. Uber is fighting against drivers who want to be categorized as employees — and whether it succeeds could have major implications for the gig economy. Foroohar is an assistant managing editor at TIME and the magazine's economics columnist. She's the author of *Makers and Takers: The Rise of Finance and the Fall of American Business*. The Atlanta economy is the 10th largest in the country and 18th in the world with an estimated 2014 GDP of over \$324 Billion. Atlanta is one of ten U.S. cities classified as an "alpha-world city" by a 2010 study at Loughborough University, and ranks fourth in the number of Fortune 500 companies headquartered within city boundaries, behind New ... , Its The Economy That Matters Most.
