Comments by our readers: “ More than manners” is certainly a good tool to learn in a few hours what we will only understand in a few years of practical experience. Talking of Office Etiquette, we remember an end number of manners which we are taught from our childhood. But in the case of our workplace, we focus on what we learnt from our management or engineering institutes. We forget the fact that for getting success, office etiquette go parallel with the conduct, manage, control, direct mean to use one's powers to lead, guide, or dominate. conduct implies taking responsibility for the acts and achievements of a group. Netiquette is the etiquette of the Internet. Etiquette is defined as "the conduct or procedure required by good breeding or prescribed by authority to be observed in social or official life," so, in other words, good manners!, Manners And Etiquette Learn How To Manage, Behave And Communicate..
