INTRODUCTION It's perhaps fitting that I write this introduction in jail- that graduate school of survival. Here you learn how to use toothpaste as glue, fashion a shiv out of a spoon and build intricate communication networks. I believe that answer A is correct in light of the request for continued examination combined with the IDS. The RCE restarts the clock for IDS submission requirements to 37 CFR 1.97(b)(4) – “Before the mailing of a first Office action after the filing of a request for continued examination under § 1.114.” Awesome plugin. You should add more options like speed for boots etc. Just a quick note to say thank you for a wonderful and informative site, which I found yesterday. I am busy preparing for the Patent Bar at this moment and the info on your site is very helpful with the study – goodness knows that this stuff is tedious to say the least., Pass The Bar And Pick-Up Your License To Steal.
