ZDNet's technology experts deliver the best tech news and analysis on the latest issues and events in IT for business technology professionals, IT managers and tech-savvy business people. This IT Trend Report highlights how several years of developments in technology and business strategies have led to a subsequent wave of changes in the role of an IT organization, how CIOs and other IT leaders approach management, in addition to the jobs of many IT professionals up and down the org chart. Everytime MS reveals a new part of Vista (the name, the new theme, the new sound scheme) it always gets hammered by everyone at first, but people get used to it and many grow to like it. Below are many of the emails I've received with questions about Bella Vista, Arkansas, along with my responses. I'm sure many of the same questions are on your mind so thought their questions and my answers might help you too!, Vista Looks Good - Finally (Business).
