

# Download World War II And My Military Memories

The military history of France during World War II covers three periods. From 1939 until 1940, which witnessed a war against Germany by the French Third Republic. World War II was the deadliest military conflict in history. An estimated total of 70–85 million people perished, which was about 3% of the 1940 world population (est. 2.3 billion). My name is Lucy Addison and this is the story of how I became a nurse for the Army Nurse Corps. I spent two years in Somerset, England; serving my country's men inside Nissen-Hut station hospital from wounds, illness, infection, and others caused by the wrath of war. Archaeology of the World War II. The detectorist and archaeologist of the World War II makes offer of the unique videoshots of excavations of the relics from the German, US and Russian army, founded during the last five years on the places of the fights in Europe and also in Russia!, World War II And My Military Memories.
