

# **Download Are You A Transformational Leader(leadership) (author Abstract)**

Transformational Versus Servant Leadership: A Difference in Leader Focus Essay Sample. The article was written for an audience of leaders. The purpose is to examine the similarities and differences between transformational and servant leadership. In spite of calls for deliberate differentiation between individual and team levels of analysis, leadership research based on well-grounded theory referring to multiple levels is scarce. Effective school leaders are key to large-scale, sustainable education reform. For some time, educators have believed that principals must be instructional leaders if they are to be the effective leaders needed for sustained innovation. Leadership style can be very dependent on the individual, and needs to be something they find comfortable. Being a transformational leader does not mean you do not use different approaches to managing a situation., Are You A Transformational Leader(leadership) (author Abstract).
