

Download Asghar Farhadi Life And Cinema

"A rich, thought-provoking study."—Godfrey Cheshire Tina Hassannia traces the career of Academy Award-winning Iranian filmmaker Asghar Farhadi from his origins as a scriptwriter to renowned director, providing contextual analyses for each of his films, including About Elly and A Separation. Also includes an exclusive, in-depth interview with the filmmaker. Asghar Farhadi: Life and Cinema [Tina Hassannia] on Amazon.com.

FREE shipping on qualifying offers. The release of A Separation (2011) was a milestone for Asghar Farhadi: After winning a slew of awards In Asghar Farhadi: Life and Cinema, Tina Hassannia traces Farhadi's origins as an Iranian scriptwriter and director and provides contextual analyses for each of his six feature films, which also include "Dancing in the Dust," "The Beautiful City," "Fireworks Wednesday" and "About Elly." From his earliest films to the recently acclaimed The Past (which I disliked), director Asghar Farhadi has followed two existing traditions within Iranian cinema: the socially conscious realist family melodramas of the 1990s and the gritty street films of the 1970s. Though this has given his work a sense of familiarity for Iranian audiences, Farhadi has nevertheless stood out for his ..., Asghar Farhadi Life And Cinema.
