Megan Mayhew Bergman

I'd rate this 4.5 stars if I could...darn you, whole numbers! Megan Mayhew Bergman's short story collection, *Birds of a Lesser Paradise*, is a definite find. Megan Mayhew Bergman is the author of *Almost Famous Women* (January 2015) and *Birds of a Lesser Paradise* (March 2012) - both from Scribner, and both Indie Next selections. Megan was a Barnes and Noble Discover Great New Writers pick and will receive the Garrett Award for Fiction from the Fellowship of Southern Writers. In this collection of short stories, Meghan Mayhew Bergman exposes reality as it is: mostly heartbreaking, often painful, always something worth fighting for. *Birds of a Lesser Paradise* is an astonishing debut collection, by a writer reminiscent of such greats as Alice Munro, Elizabeth Strout and even Chekhov. Expertly delivered, Bergman's stories bloom from the minutiae of life., *Birds Of A Lesser Paradise Stories* Megan Mayhew Bergman.
