

# Download City Maps Russeifa Jordan

The capital and largest city of Jordan is Amman, which has about 4 million people. Amman is one of the world's oldest continuously inhabited cities and one of the most liberal in the Arab world. Jordan (Arabic: **الأردن** *al-Urdunn* [al.ʔur.dunʔ]), officially the Hashemite Kingdom of Jordan (Arabic: **المملكة الأردنية الهاشمية** *Al-Mamlakah Al-Urdunnʔyah Al-Hʔshimʔyah*), is an Arab country in Western Asia, on the East Bank of the Jordan River. A salient is an elongated protrusion of a geopolitical entity, such as a subnational entity or a sovereign state. While similar to a peninsula in shape, a salient is not surrounded by water on three sides. Real-time Air Quality Index for more than 60 countries in the world, City Maps Russeifa Jordan.
