Our Drinks. The London Essence Company uses traditional distillation techniques to create light and elegant drinks for the 21st century. Using distilled essences, imagination and input from leading bartenders, we've crafted a range of carefully calibrated mixers with a contemporary edge. We have travelled incredibly long and far in pursuit of the very best tea the world has to offer. We have tried to emulate the true ancient masters of this age-old art form. Buy Books and DVDs by Annabel Langbein directly from her website. Worldwide delivery. Tiki culture began as a 20th-century American social construct, born out of the demise of the Volstead Act and manifesting itself in the form of exotically decorated bars and restaurants that catered to a longing for travel to tropical regions (typically Polynesia and Oceania as a whole)., Classic Contemporary Cocktails Essential Collection.
