“Colic can be resolved in days, not weeks or months. Colic and Sleep Secrets is a groundbreaking step-by-step manual to help your baby sleep peacefully.” The Book Colic can be resolved in days, not weeks or months. Colic is intrinsically connected to sleeping and sleeping is a learned behaviour. Responsive parenting enables parents to interpret the clear signals their baby gives. In Colic and Sleep Secrets, child nurse and midwife Alison Williams draws on 30 years of experience to teach you your baby's non-verbal language. Having a very little baby (birth to four weeks) can be such a special time or it can be an anxious traumatic time. I loved having little babies. They would feed and then snuggle to sleep on my chest, or they would sleep in their beds for 3-4 hours at a time. That was not through knowledge that was my good fortune.
