From the Boom! Studios site: In this series, we focus on the Inquisitors of Warhammer 40,000. The most insidious and dangerous threat in the 41st Millennium is the one you cannot see. The Inquisition (The Holy Orders of the Emperor's Inquisition) is an organization in the fictional Warhammer 40,000 universe. They act as the secret police of the Imperium, hunting down any and all threats to the stability of the God-Emperor's realm. Warhammer 40,000 is a miniature wargame created by Rick Priestley and produced by Games Workshop. The first edition of the rulebook was published in October 1987; the latest edition is the eighth, which was published in June 2017. A fan's idea of a Castigator leading an army of Emperor Titans like a walking cathedral leading other walking cathedrals. The Collegia Titanica in a nutshell, or more accurately our dreams., Exterminatus Warhammer 000 Dan Abnett.
