A variety of food service options are offered by restaurants, hotels, convention centers, banquet facilities, and other businesses. Making these services accessible for guests with disabilities makes good business sense. Answers.com is the place to go to get the answers you need and to ask the questions you want. Best answer: Sure. Actors should be able to play any roles offered them. That's what acting is. Jim Parsons plays a straight man on "Big Bang Theory" and Billy Crystal played a gay man in "Soap". Food processing is serious business in America. It takes specially certified materials to handle and package food properly within established guidelines set forth by the US Food and Drug Administration., Food Inc Question Sheet Answers.
