

Download Ford 1967 Fairlane Brake Light Diagram

The Arrow T50ACD electric staple gun drives wire staples with force. It will securely drive 1/4" and 3/8" staples into modern convertible top tack strips, eliminating the need for an air gun for convertible top installation. Installation Instructions for Classic Chevy, GMC and Ford cars and trucks. You can either get the other end of a 72 plug and re-wire the truck side of you wiring, or you can get the other end of the 68 plug and rewire the column side.
