At the start of the 1980s, The Walt Disney Company had been struggling since Walt Disney's death in 1966, and the 1979 departure of Don Bluth and eleven other associates from the animation department dealt Disney a major blow. An animated cartoon is a film for the cinema, television or computer screen, which is made using sequential drawings, as opposed to animation in general, which include films made using clay, puppets, 3D modeling and other means. The Boss Baby is a hilariously universal story about how a new baby's arrival impacts a family, told from the point of view of a delightfully unreliable narrator, a wildly imaginative 7 year old named Tim. The pre-World War II sound era Introduction of sound. The idea of combining motion pictures and sound had been around since the invention of the cinema itself: Thomas Edison had commissioned the Kinetograph to provide visual images for his phonograph, and William Dickson had actually synchronized the two machines in a device briefly marketed in ..., Hollywood Cartoons American Animation In Its Golden Age.
