Imperial Armour is a series of books written by Forge World (the company) to promote their Warhammer 40,000 models. They include full-color drawings, technical data, rules (in some cases full army lists, recently given an official stamp of approval), and, in most cases, a narrative focusing on a campaign which features the models included. The Forces of Chaos, also sometimes referred to by the Imperium as the Archenemy, is a catch-all term that includes all of the myriad servants of the individual Ruinous Powers of Chaos and of the universal power of Chaos Undivided. While the Chaos Space Marines are probably the most visible and... An Imperial Knight in combat. Knight armour comes in a wide variety of forms, each with their own strengths and weaknesses. The two most commonly seen types are the Knight Paladin and the Knight Errant. This is a list of all known Renegade Space Marine Chapters and Warbands that are considered renegades against the Imperium for reasons other than Chaos worship., Imperial Armour Index Forces Of Chaos.
