

Download Insurgent Fragmentation In The Horn Of Africa

'Insurgent Fragmentation in the Horn of Africa combines a path-breaking theoretical analysis of the fragmentation of rebel movements with a deep and detailed historical study of cases from the Horn of Africa to provide a fascinating account of a much-neglected topic. This is an essential contribution to the literature on the dynamics of civil wars.' Insurgent Fragmentation in the Horn of Africa combines a path-breaking theoretical analysis of the fragmentation of rebel movements with a deep and detailed historical study of cases from the Horn of Africa to provide a fascinating account of a much-neglected topic. This is an essential contribution to the literature on the dynamics of civil wars.' Alex de Waal, Tufts University, Massachusetts Woldemariam on Insurgent Fragmentation in the Horn of Africa.
