A curriculum vitae (or résumé in the US) is a concise summary of your skills, achievements and interests inside and outside your academic work. To succeed in the 21st century and to succeed against the odds, we believe that the curriculum needs to provide all students with the opportunities to acquire expertise in the basics and subject disciplines as well as developing their character, skills, critical thinking and leadership. Imperial College London is a world top ten university with an international reputation for excellence in teaching and research.

Consistently rated amongst the world's best universities, Imperial is committed to developing the next generation of researchers, scientists and academics through collaboration across disciplines. The second release of our curriculum content for your B1 Pre-Intermediate students. Try it out!, Introducing Writing Across The Curriculum Into China.
