When it comes to dogs your life will be much easier down the road if you start training them at an early age. With Cane Corsos there are no exceptions, to this rule of thumb. The Yorkie Poo, also called Yoodle, Yorkapoo or Yorkerpoo, is a cross between a Poodle and a Yorkshire Terrier. It is a small dog — most are just seven to ten inches in height, weighing in at around ten pounds (5 Kgs)., Korean Jindo Guide Training Socializing.
