HI DARLINGS! Today is an OOTD day and although this picture is in beautiful LA weather I am actually stuck in Denver during a blizzard, lol. Our flights have be...HI DARLINGS! I love this DIY. This is a new favorite pattern and I plan to make it a lot. The pattern is so fast and easy to make and I did a SEW-ALONG which I will be posting next weekend on my YOUTUBE CHANNEL so keep an eye out for that and if you are not already SUBSCRIBED to my channel go do that asap. One of the first spring pieces I made this season is this blouse. It was a fun project because I was able to sew it up quickly, I used fabric I already had (via a thrifted skirt I upcycled) along with a stashed pattern also found at the thrift shop! Play School Games made just for girls! New School Games are added every week., Ootd Outfit Day Sew Style.
