

Download Public Finance And Islamic Capital Markets

This book addresses the financing of government budgets with non-debt-creating flows through risk-sharing capital market instruments. It offers a comparative analysis with conventional finance to demonstrate the ability of Islamic capital market instruments to create an impetus for economic stability and growth. Despite the impressive growth of Islamic Banking and Finance (IBF), a number of weaknesses remain. The most important of this is perhaps the lack of shariah compliant risk management tools. Read "Public Finance and Islamic Capital Markets Theory and Application" by Syed Aun R. Rizvi available from Rakuten Kobo. Sign up today and get \$5 off your first purchase. This book addresses the financing of government budgets with non-debt-creating flows through risk-sharing capital market..., Public Finance And Islamic Capital Markets.
