

Download Small Space Organizing A Room By Room Guide To Maximizing Your Space

Small Space Organizing is a guide to creating a nice home even if it's only a tiny flat or a single room. I did find some parts of this book useful. My husband and I live in small apartment - two small bedrooms, a tiny bath and toilet, kitchen, and living room all in 650 square feet. This book was not written for people like me. With a few tricks up your sleeve, small can be the new big! While we may admire the spacious rooms in large homes we see in magazines or on TV, let's face it: most of us don't live in rambling estates.
