Read "Stranglehold: Breaking the Death-Grip of Liberalism" by James Hardesty available from Rakuten Kobo. "Stranglehold" analyzes cause and effect in politics and society by removing the veil of propaganda, tracing its sources..."Stranglehold" analyzes cause and effect in politics and society by removing the veil of propaganda, tracing its sources, and elucidating the effects of policy. From the degeneracy of the political parties to the delusions rampant in culture, realistic policy solutions are presented to solve the most pressing issues of our time.Stranglehold: Breaking the Death-Grip of Liberalism. By James Hardesty. What every American should know about politics is found in this feisty analysis of American political and cultural morass. Equally feisty policy prescriptions are offered from a conservative perspective. If you vote, if you value American life, this book is a must-read. More.
