This is part of our 3-part series on the three most important Stoic philosophers: Marcus Aurelius, Seneca and Epictetus. Here you will find a short introduction to Epictetus, suggested readings, three exercises/lessons from him as well as a selection of quotes. Discourses by Epictetus is a work that only survived thanks to a student named Arrian, who's credited with transcribing the lessons he learned in Epictetus' classroom at the beginning of the second century AD. Not all the thinkers quoted below were humanists, but their beliefs might be described as broadly humanist. Many lived long before they could safely be atheists, and the word 'Humanism' would not have been part of their culture. A teacher affects eternity: he can never tell where his influence stops. Henry Adams. What nobler employment, or more valuable to the state, than that of the man who instructs the rising generation., The Teaching Of Epictetus.
