True Magic is the third studio album by American rapper Mos Def, released on December 29, 2006 by Geffen Records. After Geffen had absorbed Mos Def's former label Rawkus, the album was released haphazardly to fulfill a contractual obligation; its physical release lacked a booklet, cover art, lyrics, or credits. This is a grenade of a book. Based on extensive investigative reporting on both sides of the U.S.- Mexico border, Sam Quinones' Dreamland tells the deeply unsettling story of the production, smuggling, and marketing of semi-processed opium base— or “black tar heroin”— originating in and around Xalisco, a farm town in the state of ...My perception of the "true" meaning of St. Patrick's Day - since we're obviously making up truths here - is drinking and getting drunk, one of the stereotypical characteristics of Irish immigrants ...More great stories.
