A framework is presented to assess links in Sustainable Development Goals (SDGs). • The Oceans goal (SDG 14) is related to all other SDGs. • Increasing benefits to developing states generates the most co-benefits across SDGs. The World Bank Group works in every major area of development. We provide a wide array of financial products and technical assistance, and we help countries share and apply innovative knowledge and solutions to the challenges they face. The Trilateral Commission was founded in 1973 by David Rockefeller, Zbigniew Brzezinski, and others in order to foster cooperation between the U.S., Europe, and Japan in shaping governmental and non-governmental action to renovate the international system shaped after World War II. The water–energy–food nexus is being promoted as a conceptual tool for achieving sustainable development. Frameworks for implementing nexus thinking, however, have failed to explicitly or adequately incorporate sustainable livelihoods perspectives., Trade In The Service Of Sustainable Development Linking Trade To.
